

Package No. 3

Waterfowl & Upland Package

Season: July/August

Lodging: Mpumalanga / KZN

Guinea Fowl and Francolin are driven over hunters with more than 20 chanting Zulu's in a similar way to the bull horn formation tactic invented and used in battle by the infamous Shaka Zulu himself. Experience a victory dance by the Zulu beaters after your successful hunt. Hunters can expect up to 10-30 birds in a morning. Walk up shooting over pointers for Francolin and Partridge is unbeatable at Free State concessions. For those that love to hunt with dogs this is a MUST!!

Duck shooting is done in dry blinds near water (No waders needed). Experience flight after flight of wild Yellow Billed Ducks and Red Billed Teal coming in to roosting ponds in the early afternoon. 10—20 ducks per gun per shoot can be expected.

Goose shooting is done in lay in or screen blinds on reaped corn fields with more than 100 decoys. The Spurwing Goose is one of the biggest in the world weighing up to 20 pounds. Up to 10 per gun per shoot can be expected.
