

## Trip Information

### Travel Documents:

Valid passport is required, and updated. Please cheque with your travel agent if you need a visa to enter Uruguay. USA citizens do not require an entry visa, as well as several other nationalities, however it is always important to double cheque this. Getting a visa is very straightforward and easy in any uruguayan consulate.

### Permits and License:

All hunting license and gun permits are handled by Alberto Regusci experienced staff. You need to send the information required at least four weeks before your departure date. When you arrive at the airport, staff will meet and assist you with all the necessary paperwork. This is very straightforward and usually very quick, hence the importance of having provided the exact information about your guns.

### Gun Caliber and Ammunition:

The recommend gauges are 12, 16, 20, or 28. Good ammunition is provided in all shooting areas. Your ammunition bill will be due on the last day of your trip prior to leaving the Estancia. You cannot bring your own shells It is illegal to bring ammunition into Uruguay.

### Parties:

The ideal number in a group is six to eight. A 25% upcharge will be levied on groups smaller than four members. Non shooters will be accommodated for 60% of the day fee. Special arrangements can be made for larger parties.

**Note:** customized itineraries will be happily designed upon requested.
