HIGH VOLUME DOVE ROOST

NO LONG DRIVES TO THE FIELDS

SHOOT MORE AND TRAVEL LESS!

This amazing lodge is located only 50 meters away from one of the largest and highest volume dove roosts in Argentina and right on a dove flyway.

With an experienced team running a flawless operation, along with a perfect setting, you can't help but have a thrilling shooting experience.

There are 25 shooting fields within walking distance (or a short drive) through the region's rich farmland.

GREAT ACCOMMODATIONS

Conveniently located only 85 miles from Cordoba City, the lodge has eight double-occupancy bedrooms with private baths; pool, hot-tub, recreation room, outdoor fire-pit, free Wi-Fi, maid and laundry service, and much more!

Attention is paid to every detail and you'll receive the royal treatment with an incredible international menu and fine Argentine wines. Enjoy an open bar with premium local spirits, beer, wine and other beverages. When you're not shooting, relax your sore muscles with a massage or in the hot tub; or visit the gift shop.
